**REHAU**

Engineering progress.

At REHAU we engineer progress and are dedicated to enhancing the lives of our customers throughout the UK. Together we redefine what's possible every day as the world's leading company in polymer solutions and beyond.

Enhancing lives.

Welcome to REHAU windows

REHAU offer a range of stylish energy efficient window systems to compliment your home, with a high-gloss finish, slim sightlines and the highest possible thermal and acoustic performance.

Energy efficient windows

All REHAU window systems can achieve a WER A rating - the highest energy rating, making your home more efficient and save money on your heating bills.

Acoustic performance

Double glazing is well known for its ability to reduce outdoor noise levels and new windows manufactured from REHAU profile can help bring down the noise levels in your home by as much as a half.

Low maintenance

REHAU windows contain a unique compound that guarantees a smooth, high gloss finish meaning that your new windows retain their pristine appearance for years to come.

Quality and performance

REHAU window systems have been tested in accordance with and meet the highest requirements of BS7412 for the standard of a manufactured window.

Enhanced security

REHAU windows and doors are tested to the highest security standards giving you an added level of security to your home and family.

Weather performance

Independently tested REHAU windows and doors achieve the highest BSI ratings for wind, water and air protecting your home from the elements.

Excellent sustainability

As a manufacturer, we are conscious of the impact our actions have on people and the environment. The use of recycled materials is one of our strategic objectives. By making our own processes more efficient and creating new opportunities for recycling, our aim is to make it as easy as possible for everyone to make the choice of using recycled products.

Style your home with casement windows

Casement windows are the most popular style of replacement window in the UK.

A popular choice

An extremely versatile window that offers both chamfered and sculptured options, and a range of colours that will suit all styles of home ensuring you can make a real statement.

Featuring fixed panes, top opening fanlights and side opening lights, casement windows can be combined to create an almost limitless range of styles.

With many additional features such as decorative glass, clip-on georgian bars and run-through sash horns, casement windows can be tailored to your specific requirements. With so much choice, you can be sure that your new windows will make your home complete.

Rio flush fit windows

When it comes to design features and sophisticated styling, the Rio flush fit window is in a class of its own.

The windows have been specifically designed so that the opening sash of your window sits flush with the outer frame, giving a unique sleek and seamless appearance.

As with all REHAU windows, safety, security and longevity of your windows is paramount. Your Rio flush fit windows benefit from enhanced noise reduction, energy efficiency and are easy to maintain, keeping your windows looking good throughout their lifetime.

Attention to detail

Not only does the Rio flush fit window authentically replicate the features of a traditional timber window, it also complements more modern homes perfectly with clean lines and a minimalist appearance.

Contemporary, versatile style with tilt and turn windows

A functional alternative to opening out windows creating the look and feel of the continent.

Tilt and turn windows offer you simplicity and versatility in your home – providing a choice of styles which have the option of the window tilting inwards or being fully opened inwards.

This flexibility provides you with secure ventilation and ease of cleaning from within your home. Tilt and turn windows are the ideal solution where there is restricted space outside making outward opening a hazard as well as providing an effective fire escape.

**Vertical sliding windows**

Experience the benefits of noise reduction, low maintenance, safety and security and energy efficiency, with our REHAU Heritage system achieving an A window energy rating.

Period style with vertical sliding windows

Designed to replicate traditional timber box sash windows, the REHAU Heritage window system will provide you with a traditional-looking sash window combined with the numerous benefits of modern uPVC windows.

Added value and authenticity

Superbly engineered and of exceptional quality, sash windows manufactured from the REHAU Heritage system will add real value, authenticity and style to your home without sacrificing performance. The REHAU Heritage system has been developed following extensive consultation with conservation bodies and as a result, our sliding sash windows are the most distinctive and authentic-looking uPVC sash window available in the UK.

Attention to detail

Classic-style hardware and fittings and optional decorative horns replicate the traditional timber sash window to create a stunning finish. Further attention to detail in the form of a deep bottom rail and optional georgian bars add to a simply superior modern sash window.

AGILA sliding doors

REHAU sliding doors are available in a wide range of options with a choice of two, three or four panes. The 3 star sold secure diamond approved security lock cylinder comes as standard with the option of the enhanced 12 point locking mechanism and the ERA total security lifetime guarantee.

Transform your home

Open up your home with the AGILA multi-fold door and bring the outside in.

As a popular alternative to more traditional french doors and sliding patio doors, multi-fold doors can create an open plan feel for any type of building. The multi-facet panes fold back into a concertina style, allowing a wide opening offering unrestricted access.

The REHAU multi-fold door is a sophisticated door system which meets the demands of almost any property, enabling you to choose the number of panes to suit your needs. Dependent upon the size of the opening you can have up to a maximum number of 7 panes, covering a span of almost 5.5 metres and with the option of the master door being located on the right or left side, you have complete flexibility.

Integrated low threshold track is completely reversible allowing for doors to open in or out.

AGILA multi-fold doors

An increasingly popular alternative to more traditional french doors and patio doors, the REHAU multi-fold door system can offer so much more - improving open plan living and bringing a modern contemporary feel to almost any home.

Style your home

Create a unique look with a wide range of colours and finishes.

Creating the perfect colour scheme for your home doesn't have to stop at the interior decoration – now you can choose a colour scheme for the windows and doors in your property. Your new windows and doors will not only be of the highest quality, delivering performance year after year, but you also have the option of turning them into a real design feature. Our four colour collections offer a rich array of colours to meet the aesthetic desires and the distinctive ideas of each and every homeowner.

The Contemporary Collection

The Timeless Collection

The Traditional Collection

The Statement Collection

We have made every effort to show the colours as accurately as print processes will allow. However, we cannot guarantee an exact colour match to that of the actual products, and the colours contained shown here should not be relied on as such. We recommend that you discuss colour samples with your local REHAU installer or request a colour swatch at enquiries@rehau.com.

**Colour foils**

Our laminate foils are durable, scratch resistant, can be easily cleaned and offer high performance and longevity in all types of weather conditions. Woodgrain laminate finishes are available from timeless hues in clotted cream and chartwell green to contemporary expressions in different shades of grey and statement colours like ruby red.

Design your own windows and doors

REHAU can guide you through the options available for glass and hardware, so you can choose the right option for you.

Glass

There are a number of considerations to think about when you are choosing the right glass for your windows and doors:

Energy Efficiency

All REHAU windows and doors can achieve the highest standards of energy efficiency, with our windows able to reach a WER A rating. Your REHAU Installer will be able to talk to you about the best solution for your requirements.

Sound reduction

Double glazing is well known for its ability to reduce outdoor noise levels and new windows manufactured from REHAU profile can help bring down the noise levels in your home by as much as a half.

Style

Dramatically change the look of your property by adding those little decorative touches. From georgian bars, leaded light, bevelled or etched glass, the options are endless.

Hardware

Choosing REHAU windows and doors will help towards keeping your home safe and secure. All REHAU windows and doors are compatible with the latest high security locking mechanisms. They can also be fitted with extra safety features if required, such as window restrictors to prevent the window from fully opening.

Your REHAU Installer is the expert to discuss the best hardware option for your needs. They will be able to show you the range of handle styles and colours to ensure the perfect finish to your windows and doors.
