## **Finishing Touches**

#### Trims

A large range of trims enable you to put the perfect finishing touch to your wall and ceiling panels Available in both PVC and Aluminium and a choice of White, Silver, Black, Satin and Bright Silver allowing you to create a stylish and practical look.

#### Internal and External Corner Trims

Finish 90° corners with a choice of trim fitted before the panelling is applied

**End Cap U Trim** Use to start or finish any wall or ceiling panel installation.

#### H Joint/Décor Strip

To join panels with side by side or stacking. Gives a white or silver décor strip between panels.

#### Clip in Décor Strip

An alternative to the H Trim, simply clip in a décor strip between each panel to create a stylish finish.

#### Base Seal Trim

Use with silicone to seal base of panels for wet applications

#### Scotia Moulding

To finish the corner between wall and ceiling or floor and wall
